

Health and Safety Requirements for ESF Sports Classes in schools

With the recent suspension of all Vaccine Pass requirements, the use of Leave Home Safe is no longer needed.

Getting a negative result with a Rapid Antigen Test is still a prerequisite for entering schools in Hong Kong.

All participating students and parents / guardians who assist in the weekend multi-sports classes **MUST** fill in and present the [temperature & RAT record sheet](#) every time.

School-Specific Pick-up / Drop-off Arrangements

Individual schools still have their own policy in place when it comes to parents / guardians on school campus.

We kindly ask that parents to familiarise themselves with the following arrangements and arrive at the designated assembly point at least 10 mins prior to the start time to avoid any delays.

To find out where the registered class is held, click [HERE](#)
