Primary: 6-8 years

Join our Eager Explorers as they take a different route each week and venture down a path of fun and intrigue. This course uses **drama, games, story books** and **art** to develop **reading, writing, speaking** and **listening skills** whilst broadening knowledge and experiences. With four weeks of programmes to choose from, students will set off on an exciting new expedition each week, taking them to different areas of discovery....

Calling all explorers! Which route will you take first?

Trek through different environments but be sure you make it back to the lookout before it gets dark

Sniff, splash, lick, look and listen as you wade through food-filled stories

From outwitted wolves to dancing giraffes you'll encounter surprising animal antics

Meet your favourite fairytale characters and experience a magical world with some unexpected twists and turns along the

## PLAYGROUP CAMP

**Ages: 13 months - 2.5 Years (accompanied by an adult)**

Our **play-based learning approach** allows our youngest students to develop their curiosity and build early skills in a safe, comfortable environment. Through the exploration of nursery rhymes and much loved stories, students will participate in a variety of hands-on activities to develop their **fine motor** and **gross motor skills, cognitive and language development**, and through our sensory activities they will have some messy fun!

Parents can choose from **2, 3, or 5 day options per week**. This camp is different every week, so students can join for 4 consecutive weeks!

## PRE-KINDERGARTEN

**Ages: 2 - 3 Years**

Let us take your children on a summer adventure where we will immerse ourselves in a world of stories, baking, art exploration and singing.

This programme is suitable for children who turn 2 years old from July 1<sup>st</sup>, but are not eligible to join Kindergarten Preparation.

Students enrol for **2 week blocks, either 3 or 5 day options per block** (2 day block also available in Wan Chai).

This camp is different every week, students can join for 8 consecutive weeks!

# LANGUAGE COURSES

Optimize your child's education:  
explore our recommended course schedule for primary enrichment programs.

It is designed to provide additional learning opportunities and experiences beyond what is typically offered in a summer courses. These programs can focus on a variety of subjects, such as sports, mathematics, science, language and the arts.

AGE	Weeks 1 or 5	Weeks 2 or 6	Weeks 3 or 7	Weeks 4 or 8
6-8 years	Reader's Theatre	Science A	Creative Writing	Science B
9-11 years	Debate	Science A	Creative Writing	Science B

# KINDERGARTEN PHONICS

**Ages: 4 - 6 Years**

This course is a great introduction to phonics but can also build on your child’s existing phonic knowledge. It is delivered in a very fun way with lots of group work and movement.

During the programme, students will **learn:**

- ★ Basic letter sounds
- ★ Principles of decoding words
- ★ Play games in order to hear different sounds, using vowels and consonants
- ★ Build longer phonic words
- ★ Blend and segment the sounds and use words
- ★ Begin the structure of writing lower and upper case sounds

*One lesson per week x 4 weeks every Wednesday  
(option to do 2 months consecutively)*

# KINDERGARTEN

**K1 starters**

This course is for students who will be starting K1 after the summer. Students will develop their independence and confidence in an ESF kindergarten environment, as they explore nursery rhymes and well-loved stories through a variety of hands-on learning experiences.

This camp is different every week, so students can join for up to 4 weeks!

# PRIMARY PREPARATION

## P1 / Year 1 starters

This course is for kindergarten graduates who will be starting P1 after the summer. It provides a **boost of skills, confidence** and **independence** through lots of fun games, drama and activities in an ESF primary school setting.

Over the course of two weeks, students will practise a range of essential skills which will provide an important foundation to **ease their transition into primary school**. This includes development of their understanding of the following: up to **100 high frequency words**; **capital letters** and **simple punctuation**; **basic sentence structure**; speaking clearly during presentations; **vocabulary development** through a range of medium including art projects.

The course materials are on a **2 week rotation**, meaning Weeks 1-2 are different and Weeks 3-4 starts the rotation again. Students can enrol for **1 or 2 weeks of classes** but **2 weeks is recommended**.

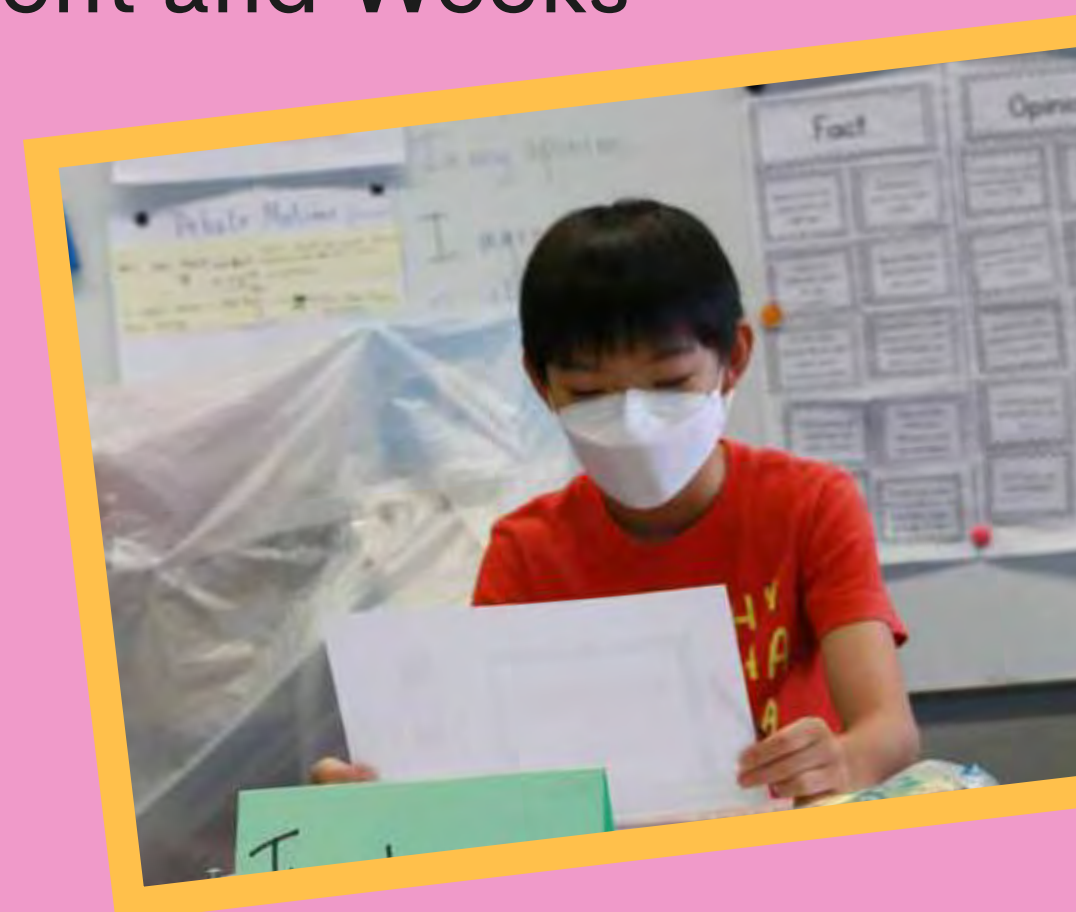

# PRIMARY READER'S THEATRE

## Ages: 6 - 8 Years

Reader's Theatre is a technique to develop reading with understanding and fluency. Using a variety of scripts to practise and apply new techniques, students will:

- ★ Become immersed in Reader's Theatre to **bring scripts to life as they work together to read and act out stories and their own writing**
- ★ Practise **phonics, pronunciation** and **intonation** through character portrayal and **presentations**
- ★ Build **vocabulary** and **creativity** through their own **script writing**
- ★ Be immersed in a rich, **English speaking environment** to build their understanding, **confidence** and enjoyment of the language.

This course is a great opportunity for your child to develop their **English language proficiency**. The carefully selected scripts give students essential practice in **oral reading fluency** and **public speaking**. The scripts also provide an opportunity for group interaction and student cooperation.

This is a **one week course**.

# CREATIVE WRITING

## Lower Primary (6-8 years old), Upper Primary (9-11 years old)

Creative juices will be flowing this week as students bring their ideas to life. Students will be exposed to a variety of well-known literature and learn how to apply a range of techniques, vocabulary and grammar in their written work. Our writers will then present their work at the end of the week.

Students in **Lower Primary** will:

- ★ Retell stories concisely using a story cube and story mountain
- ★ Learn how to use imperative verbs to create a board game
- ★ Apply descriptive language in the form of comparatives, superlatives and similes to describe objects, characters and settings
- ★ Develop sentence and paragraph writing to create mini-books, posters and postcards

Students in **Upper Primary** will:

- ★ Hone their sentence and paragraph writing skills in the form of narratives, recounts and newspaper reports
- ★ Enhance their use of descriptive language to describe the internal and external traits of characters
- ★ Use their creative skills to design a chocolate bar, and apply persuasive techniques in the form of an advertisement
- ★ Examine the power of the written word and how unfamiliar vocabulary can be understood through context

This is a **one week course**.

# CHALLENGE YOUR CREATIVITY

**Lower Primary (6-8 years old), Upper Primary (9-11 years old)**

Does your child want to ignite his/her imagination? Then join our lively classes where we will **spark creativity through fun discussions, games and collaborative storytelling.**

In this course, students will:

- ★ Motivate students and increase learning engagement
- ★ Help students see everyday objects and concepts in new and deeper ways
- ★ Improve language skills, foster imagination and curiosity
- ★ Encourage creative writing and development of ideas
- ★ Increase risk-taking skills

# PRIMARY DEBATE AND DIALOGUE

**Ages: 9-11 years old**

Debates are fun and engaging activities that exercise the brain to use all four skills of reading, writing, listening and speaking, sometimes concurrently.

In this course, students will:

- ★ Understand how debating works, what the rules are and how to debate effectively
- ★ Use formal language, persuasive techniques and connectives in a speech
- ★ Structure ideas on a given topic, using evidence and examples to enhance arguments
- ★ Develop critical thinking, collaboration and communication skills
- ★ Learn to express themselves confidently, coherently and assertively

This course is suitable for students who are new to debating and those who have already developed a taste for debating in their primary schools. It can also prepare them for a variety of opportunities that they will come across in their secondary schools.

This is a **one week course**.

## SECONDARY DEBATE

**Ages: 12-16 years old**

Join us for some lively discussions this Summer in our Secondary Debate programme. Globally, elections have evolved and politicians have changed their communication tactics. What styles would students take to convey their opinion? Would it be more like Trump or Biden? Throughout the sessions, students will have plenty of opportunity to discuss and debate a range of topics.

In this course, students will:

- ★
- ★ Analyse language and body language from real debates such as the presidential
- ★ debates
- ★ Construct arguments using persuasive language and engaging sentence openers
- ★ Learn about tone of voice and vocal delivery during a debate
- ★ Enhance speaking confidence
- ★ Practise rebuttals
- ★ Learn how to research for a debate in an effective manner

**Exploratory introduction to band instruments and science/music concepts.**

**In partnership with MicraMusic**

## **Aim:**

An introductory course for students seeking to explore Band instruments, with a view to find a suitable and engaging instrument to commence focussed study.

## **Prerequisite:**

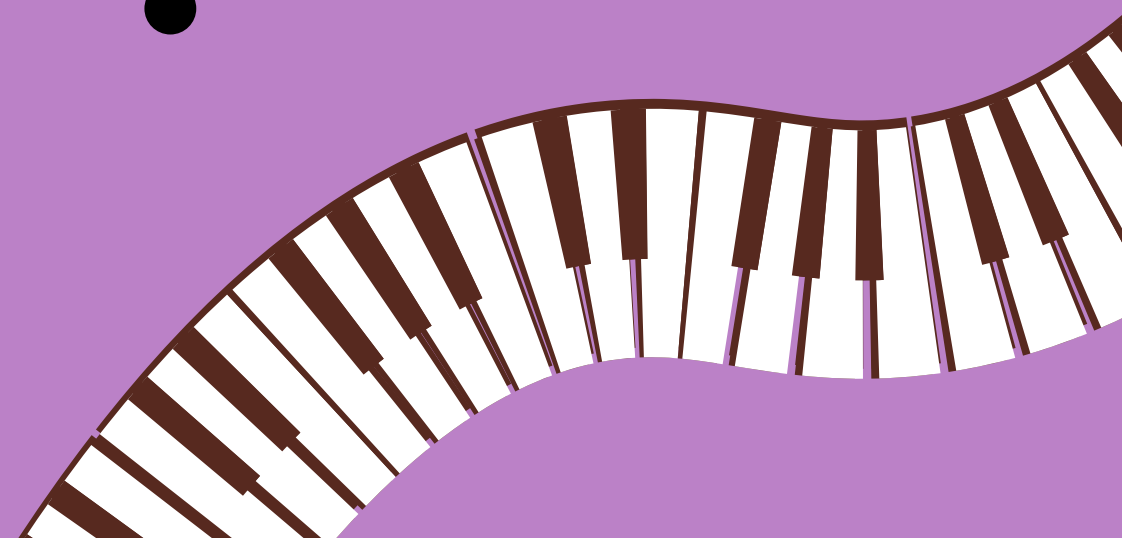

No previous band instrument experience is preferred, and no other music experience is necessary.

## **Course Information:**

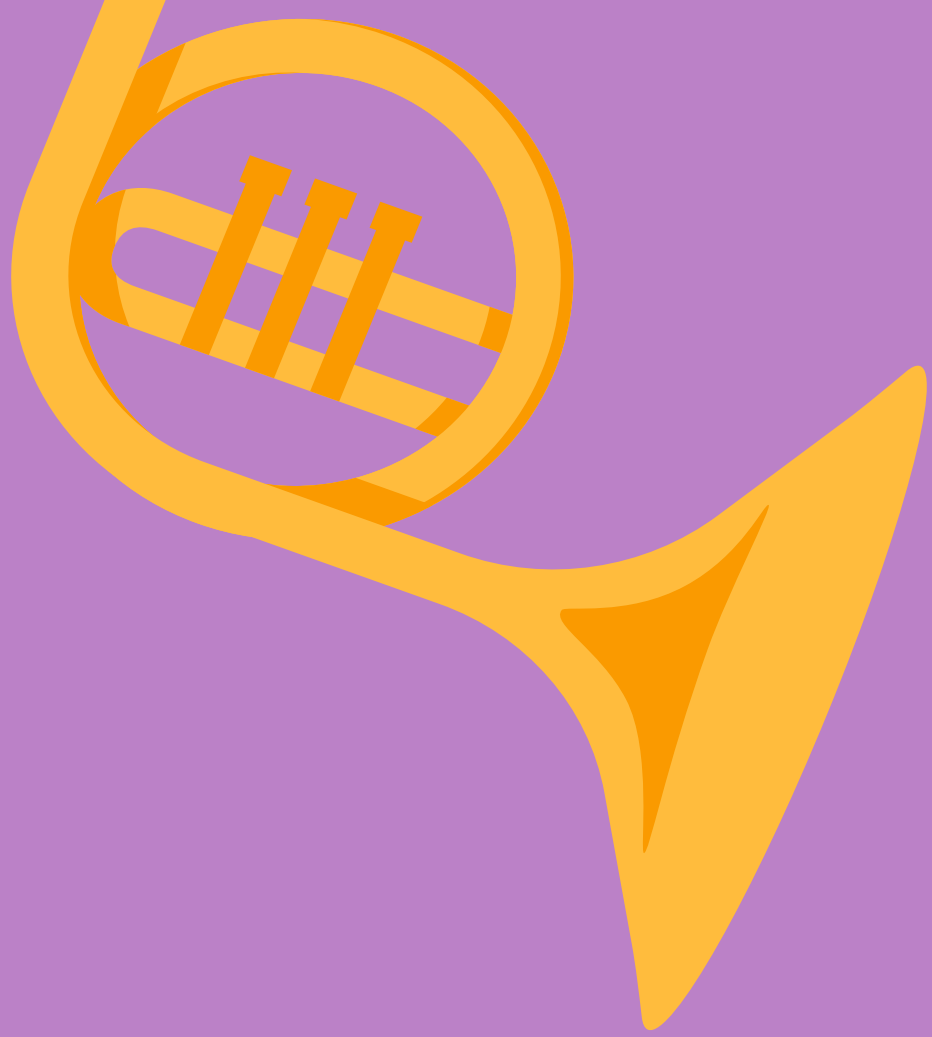

The course will suit inquisitive children that will explore the instrumental musical world by playing brass and/or wind band instruments. Students rotate through two of four band available instruments, (Trumpet, Saxophone, Trombone and Flute) to play, discover and experience the fun and joy of music sharing and making.

## **Learning Expectations for the Band Basics Summer Program:**

- ★ Enhance fine-motor and social skills through musical instrument exploration.
- ★ Experiencing Science, Technology, Engineering and Maths (STEM) concepts in Instrumental Music contexts.

Schedule:

Three Streams are available. Brass and Woodwind teaching is separate and simultaneous, and all students gather for STEM and Music Theory activities.

- ★ Introduction to Brass Instruments
- ★ Introduction to Woodwind Instruments
- ★ Introduction to Woodwind and Brass (select one from each).

Stream	Day 1	Day 2	Day 3	Day 4	Day 5
Instrument A (Brass)	A1 Trumpet	A1 Trumpet	A2 Trombone	A2 Trombone	Select A1 or A2 and perform.
Instrument B (Woodwind [WW])	B1 - Reed (Clarinet/Saxophone)	B1 - Reed (Clarinet/Saxophone)	B2 Flute	B2 Flute	Select B1 or B2 and perform
Combo Instrument (WW & Brass)	Either Trumpet or Reed	Either Trumpet or Reed	Either Flute or Trombone	Either Flute or Trombone	Select WW or Brass and perform

Resources provided:

Each student is issued with a loaned Band Basics instrument according to their stream. The instruments are sourced for quality and robustness and undergo an environmentally clean procedure before student use. Band Basics students play on age and size appropriate instruments that are light, colorful, easy-care and hygienic, yet sound identical to their full size versions. Print resources are provided, and Online resources are available for student learning and sharing.

This is a **one week course**.

# BAND CAMP - BEGINNER LEVEL 2

Ages: 9 - 11 Years

Students focussed on learning one instrument in a band setting.

**Aim:**

The Camp Band programme aims to ‘kick start’ instrumental music learning with an intensive 5 week programme to provide students with the skills and knowledge to establish fundamental ‘good habits’ of posture, tone, reading notation and personal management for success and life-long enjoyment of playing a musical instrument.

**Prerequisite:**

Students should be ready to begin focussed instrumental music lessons on selected

**Schedule:**

Day 1 —————> Day 4	Day 5
Group instruction to learn fundamental skills of the Flute, Clarinet, Trumpet or Trombone instruments.	Review the course learning and set goals. Refine and perform a selection of repertoire.

# ENSEMBLE CAMP - INTERMEDIATE

Ages: 9 - 11 Years

Experienced students coming to enrich ensemble skills (Woodwind, Brass and Percussion)

**Aim:**

This course aims to support Band Instrument musicians to enrich their performance and ensemble skills alongside developing instrumental music learning strategies and personal skills.

**Prerequisite:**

Students in this program should display intermediate skills on a Band instrument. Typically at least one year of school experience or studying with a private tutor.

Day 1 —————> Day 4	Day 5
Group ensemble instruction on selected repertoire and curated ensemble exercises.	Review the course learning and set goals. Refine and perform a selection of repertoire.

# BRASS BOOT CAMP - INTERMEDIATE

Ages: 9 - 16 Years

Extending skills of sound production whilst playing a Brass Instrument.

**Aim:**

The program is designed to be enjoyable, yet sufficiently rigorous to rejuvenate skills by engaging with comprehensive music instruction that encourages musical discipline whilst nurturing musical talents.

**Prerequisite:**

Camp musicians should have Brass Instrument experience of 'intermediate' level.

**Schedule:**

Day 1 —————> Day 4	Day 5
Group instruction to refine Brass Instrument skills and techniques.	Review the course learning and set goals. Refine and perform a selection of repertoire.

# DRAMA CREATIVITY CAMP

Combining acting, music, and theatre-crafts, students will study an engaging theme and become the characters of the story. There will be a live performance at the end of the course.

## Learning Expectations for the Band Basics Summer Program:

- ★ Learn wide-ranging skills in acting, movement and theatre-crafts
- ★ Perform individually and as a team
- ★ Play fun and challenging games to build your performing skills
- ★ Create costumes, props and set pieces

# SCIENCE

**Lower Primary (6-8 years old), Upper Primary (9-11 years old)**

Technology is advancing and the world is evolving, STEM (Science, Technology, Engineering and Mathematics) has come to the fore and it is now vital for all students to know the essentials of this subject....or lose out!

Students will gain vital hands-on skills as they dive deep into engineering, design and simple technology challenges that will help shape their understanding of a diverse range of STEM topics and how these concepts can be applied in real life. Over the weeks, students will build, design and collaborate together as they tackle different engineering and design tasks.

Primary Science runs ***every other week***.

## ABOUT US

ESF Sports & Language (part of English Schools Foundation) is a registered charitable organisation and was established in 1994, and since then has provided English language and sports programmes in ESF schools and non ESF venues. Subsequently, Spanish as a foreign language was added in 2011. We offer classes in 22 ESF schools across Hong Kong and in ESF Language & Learning Centre, which opened in Wan Chai in 2016.
