## Brass Boot Camp - Intermediate (9-16 years)

**Resources provided:** Print resources are provided, and Online resources are available for student learning and sharing.

**Aim:** The program is designed to be enjoyable, yet sufficiently rigorous to rejuvenate skills by engaging with comprehensive music instruction that encourages musical discipline whilst nurturing musical talents.

**Schedule:**

Day 1 to 4 - Group instruction to refine Brass Instrument skills and techniques.

Day 5 - Review the course learning and set goals. Refine and perform a selection of repertoire.

Refreshing rehearsal skills, re-building stamina, and 'getting ready for band', is the focus alongside confidence development and establishing skills for long-term success in playing a Brass Instrument.

Learner Objectives:

Students will:

- Participate in fun and engaging activities while developing skills to improve in Brass Instrument performance.
- Review and refine fundamentals of playing Brass Instruments and increase confidence and skill in Brass Instrument techniques..
- Collaborate with other Brass musicians to produce musical performances.
- Learn strategies for personal practice and goal setting.

Brass Boot Camp Program features:

- The course is led by a Brass Instrument specialist and includes curated resources to support Brass Instrumentalists.
- Curriculum that guides students to develop instrument skills, build belief in abilities to grow, and establish practice habits.
- Opportunities to set and meet goals, promoting strong self esteem, building skills and establishing good habits.

**Prerequisite:** Camp musicians should have Brass Instrument experience of 'intermediate' level.
